Conditions.

- I. The minimum annual revenue guaranteed shall be payable to Government in twelve equal monthly instalments. The contractor shall pay into the District Treasury of Bangalore the whole amount of the duty inclusive of the local cess payable to Government at the rates fixed by Government on the arrack issued from the distillery in each month on or before the 15th of the following month. If the duty payable on the issues of arrack up to the end of any month be not sufficient to make up the amount of the monthly instalments of the minimum guaranteed revenue up to that month, the contractor shall pay such further sum as may be required to make up the deficiency. The excess sale of any month shall be available to make up any deficiency in any other month of the same official year. If the above payments are not made on or before the 15th of the month following that for which they are due, interest at the rate of 6 per cent per annum will be charged from that date on all the arrears outstanding; and should the default continue after the lapse of the month in which the payments are due, the arrears with the interest due shall be recovered by attachment and sale of the property of the contractor in the manner provided for by the rules for the time being in force for the recovery of arrears of land revenue. And it shall further be at the discretion of the Dewan upon the report of the Deputy Commissioner of Bangalore to declare the contract cancelled, to direct the forfeiture of the deposit made by the contractor, and to cause the business to be carried on by Government officers or otherwise, at the expense and risk of the contractor, during the unexpired period of his contract.
- II. The accounts for each year shall be closed separately. If the duty payable to Government on the arrack issued during the year exceed the minimum revenue guaranteed for the year, the contractor will be allowed a deduction from the duty payable by him equal to one anna on every rupee of the amount of such excess. But the excess of one year will not be available to make up any deficiency in the amount of the guaranteed revenue of any other year of the contract.
- III. The contractor will be required to manufacture within the enclosure of the Government Distillery near Bangalore, or at such other place as may be fixed by the Deputy Commissioner, and to establish wholesale depôts in such places as shall be appointed by the Deputy Commissioner. The distillery and depôts shall be open at all times for inspection by the Deputy Commissioner or any official appointed for that purpose. No arrack shall be taken out of the distillery until it has been measured and tested by an official appointed for that purpose. The contractor will further be required to pay monthly to Government a rent of Rs. 150 for the use of the distillery buildings and to keep the said buildings in a state of thorough repair. The contractor shall take over any arrack distilled by the previous contractors which may remain as stock on hand on the 1st April 1884, paying to them such compensation for the same as may be fixed by the Deputy Commissioner with the sanction of the Dewan.
- IV. The arrack manufactured shall be of good quality. The articles used in distilling shall be approved by the Deputy Commissioner and be of good quality, and shall be shown to, and passed by, the Distillery Supervisor or other official appointed for the purpose before being received into the distillery. No ingredients obnoxious to health shall be used in distilling or put into the arrack after it has been made, and all the ingredients used shall be in the established initial proportion or in such other proportion as may hereafter be fixed by Government so as to ensure a proper control by the officers of Government over the results of the distillation effected by the contractor daily.
- V. The contractor shall keep true and correct accounts in the prescribed forms of his receipts and disbursements, and of the quantity and strength of the spirits manufactured, received and issued in the distillery and in each depôt, and of all the materials received and expended

daily at the distillery. He shall produce such accounts whenever required to do so for inspection by the Deputy Commissioner, the Head Supervisor or any other official appointed for the purpose.

- VI. The distiller shall be bound always to have a month's supply and not less than 14,000 gallons of liquor in store, and in order that this may be the case from 1st April 1884, he will be allowed to commence distilling before that date, provided that no liquor so distilled shall be sold or passed out of his custody or that of his employes before the 1st April 1884. The contractor shall be allowed to have wholesale shops in all Taluk kasabas and large towns approved of by the Deputy Commissioner or Sub-Division Officer within whose jurisdiction they may be situated. A list of all such places will be furnished on application to the Deputy Commissioner or Sub-Division Officer, and the contractor shall pay the prescribed license fee of Rs. 2 per shop per month.
 - VII. The contractor shall not sell arrack by retail either in the distillery or in the wholesale shops except as provided for in the rules laid down under Conditions X and XII.
 - VIII. The retail shops will be under the management of the Deputy Commissioners of the Districts, and Officers in charge of Sub-Divisions of Districts, and in Municipal towns, where so ordered by the Dewan, under the Municipal President or Vice-President of such towns; and no new retail shops shall be opened except with their sanction and at such places appointed by them, and they are competent to order any shops to be closed on grounds of public expediency without any claim to compensation on the part of the contractor.
 - IX. Licenses for the retail shops will be issued in the usual form by the above officers on payment of such rates of license fees as may, from time to time, be fixed by the Government.
- The licenses will provide for the sale of the arrack at the regulated prices and at the prescribed strength and for other necessary conditions. The retail vendors will be required to procure their liquor from such wholesale shops as may be nearest to them or from such others as they may elect once yearly to take it from. They will also be required to permit the contractor or his agent, the Excise officers, or any public servant duly authorized, free access to their shops in order to see that no irregularities take place, and to keep true and correct accounts of the quantity and strength of liquor received by them each day, and the prices charged for the same, and to produce the accounts for inspection whenever required so to do by the contractor or his agents, or any Government official authorized to call for them.
- X. The following rules regarding the issue of the arrack from the distillery shall be observed:—
 - (a) No arrack shall ordinarily be issued at a strength above 20° under Proof, but should the contractor or retail vendor desire to issue at a higher strength than the above, the spirit so issued shall not be of a greater strength than Proof. Liquor of strength at Proof shall be issued from the distillery in two dozen quart bottles, four dozen pints and so on for lower denominations of flasks as for English and foreign spirits; and it shall be sold by wholesale to retail vendors in bottles intact as issued from the distillery with the seals affixed on them by the Head Supervisor and under cover of the Head Supervisor's passes. The retail vendors shall issue such liquor only to respectable persons known to them on separate passes granted by the Head Supervisor to the retail vendors, and both wholesale and retail dealers shall account for such sales separately in the forms prescribed.
 - (b) Should the contractor wish to issue liquor of higher strength than Proof, he should obtain the special orders of the Deputy Commissioner therefor, through the Head Supervisor, who shall quote the same and issue passes accordingly to wholesale shops, and liquor so issued shall be sold and accounted for, as provided in Clause (a) of this para.
 - (c) All liquor issued at a strength above 20° under Proof and up to Proof shall be charged the duty on Proof, the rate on above Proof being raised proportionately according to the hydrometer's scales.
 - (d) No spirit below 20° under Proof shall be ordinarily issued from the distillery, but should there be a demand for liquor of lower strength than 20° under Proof, liquor at 30° under Proof may be specially issued from the distillery at proportionately reduced rates

of duty, such liquor being kept and accounted for separately both in the wholesale depôts and in the retail shops.

XI. The arrack shall be sold as issued from the distillery and shall not be adulterated or diluted in any manner either in the wholesale or retail shops.

XII. The Government duty including the local cess of one anna in the rupee payable on arrack of the strength of 20° under Proof as well as the prices at which the same shall be sold (unadulterated and undiluted) at the wholesale and retail shops are hereby fixed as specified in the following table:—
